Enforced disappearance / Exhumation of body

Sri Lanka

July 29, 2011

The Observatory for the Protection of Human Rights Defenders, a joint programme of the World Organisation Against Torture (OMCT) and the International Federation for Human Rights (FIDH), has received new information and requests your urgent intervention in the following situation in **Sri Lanka**.

New information:

The Observatory has been informed by reliable sources about the exhumation of a body suspected to be that of the forcibly disappeared Mr. **Pattani Razeek**, Managing Trustee of the Community Trust Fund (CTF) and a member of the Executive Committee of the Asian Forum for Human Rights and Development (FORUM-ASIA).

According to the information received, on the morning of July 28, 2011, police exhumed a body in Kavathamunai, Uddamaveli, Valaichchenai province, Eastern Sri Lanka, based on the information provided by one of the arrested suspects in the case of the disappearance of Mr. Pattani Razeek. The Valaichchenai Magistrate was present at the exhumation and the son of Mr. Razeek tentatively identified the body of his father. Subsequently, the body was sent to Batticaloa Hospital for forensic examination, which is expected to take place on August 2, 2011. The remains will then be handed back to the family.

The Observatory expresses its sincere condolences to the relatives and colleagues of Mr. Pattani Razeek and urges the authorities of Sri Lanka to continue to work towards bringing those responsible before a competent and impartial tribunal and apply to them the penal sanctions provided by the law.

Background information:

Mr. Pattani Razeek was last seen in Polonnaruwa, a city in the North Central Province of Sri Lanka, in the afternoon of February 11, 2010. Mr. Razeek was then travelling together with other staff members of CTF on their way home from a mission when their van was intercepted by another vehicle, a white van¹. Mr. Pattani Razeek approached the men in the white van and exchanged greetings with them. After talking to them for some minutes, Mr. Razeek went back to his colleagues and told them that he would continue his journey in the white van that according to him was heading to Valaichchenai, telling them that he would meet them later.

On February 12, 2010, the CTF was informed by Mr. Razeek's family that he never returned home from the mission. Since then, his whereabouts had remained unknown.

On February 16, 2010, Mr. Razeek's family was able to convince his mobile phone company to release some of the phone records coming from his mobile phone. The records revealed that a number of short calls were made from Mr. Razeek's mobile phone on the evening of February 11, the day he was last seen by his colleagues. On February 15, 2010, a call from Mr. Razeek's mobile phone was made to a CTF driver, but it was missed. When the call was returned, there was no answer. On the same day, a text message was sent from Mr.

¹ In Sri Lanka, 'white vans' have been known to be the preferred vehicles of groups responsible for abductions and disappearances.

Razeek's mobile phone to a member of his family, in which he assured that he was in Polonnaruwa and that he would be coming back home soon. Since then, there has been no further contact, nor responses to calls and text messages.

Subsequently, Mr. Pattani Razeek's family lodged a complaint within the local police authorities in the city of Puttalam. They also filed a complaint with the Human Rights Commission of Sri Lanka.

Police investigations reportedly revealed that Mr. Shahabdeen Nowshaadh had used Mr. Razeek's mobile phone to call his residence after the abduction. Moreover, Mr. Nowshaadh reportedly confirmed that he had met Mr. Razeek on February 11, 2010 at the Jumma Mosque, Kaduruwela, Pollonaruwa, as he was traveling with Minister Rishad Bathiudeen, amongst other persons.

For over a year, the police had made no attempt to apprehend and question Mr. Nowshaadh regarding Mr. Razeek's disappearance despite of the evidence against him. Mr. Razeek's family believes that the failure to take action against Mr. Nowshaadh was connected to his close association with an influential Government Minister from the area².

In July 2011, the National Human Rights Commission responded to the complaint of Mr. Razeek's family members who were informed that the investigation had been handed over to the Criminal Investigation Department (CID).

On July 8, 2011, Mr. Shahabdeen Nowshaadh was arrested in Kilinochchi. On July 11, 2011, he was placed in detention under the custody of the Colombo Crimes Division. On July 13, 2011, Mr. Ismail Mohamed Musdeen, who provided the information that led to the finding of Mr. Razeek's body, was arrested.
