

Case NPL 160704
Arbitrary re-arrest and detention / Forced disappearance

The International Secretariat of OMCT requests your **URGENT** intervention in the following situation in **Nepal**.

Brief description of the situation

The International Secretariat of OMCT has been informed by the Asian Human Rights Commission (AHRC), a member of the OMCT network, of the arbitrary re-arrest and forced disappearance of Mr **Yek Raj Basnet**, Mr **Khagendra Sambahamfe**, Mr **Ram Bahadur Ingaram** and Mr **Tek Bahadur Bista** by security personnel in violation of court orders in Morang, Nepal, on 14 July 2004.

According to information received on 14 July 2004, the four persons mentioned above were arrested by security force personnel as soon as they were released by the Morang District Court. The security force personnel were in plain-clothes, but the driver and guards in the vehicle were in uniform. According to the same information, the security forces are from Morang District so can be identified Mr Dolakha Bahadur Gurun, the Chief District Officer (CDO).

The detailed conditions of the arrest and detention of these four persons are not clear at this moment. It is only reported that they were arrested on different days by the security forces about nine months ago [Mr **Ram Bahadur Ingaram** was arrested on 27 September 2003], remained disappeared for some months and were later found in prison in Morang. According to the prison records, the four victims were given detention orders on the same day (15 January 2004) for preventive detention under Public Security Act (PSA) for 90 days. Their detention order was extended again for another 90 days. In Nepal, under PSA, a person can be held for "preventive detention" for up to 12 months without charges.

On 12 July 2004, the prison authority wrote a letter to the Morang District Court to release these four persons as they had spent the "authorized" term under PSA. When a person who is detained under this Act is released, the PSA states that the person should be released in the presence of the judge of the district court or the registrar in his absence. It is also reported that these four persons were very afraid of being released because they thought that they would be executed or disappeared once they were released. Thus, they asked the prison authorities to release them only in the presence of persons from independent institutions or bodies. After receiving the request letter, the Morang District Court asked the local bar association to receive these four persons, and four lawyers from the Bar Association signed the paper to receive the detainees.

However, on 14 July 2004, as soon as Mr **Yek Raj Basnet**, Mr **Khagendra Sambahamfe**, Mr **Ram Bahadur Ingaram** and Mr **Tek Bahadur Bista** came out from the judge's chamber of the Morang District Court, all of them were re-arrested by the plain-clothes security personnel even though four lawyers were accompanying them. Ignoring the lawyers' protests, the security forces pulled the victims into a vehicle parked in the courtyard and took them away. The four persons' whereabouts are now unknown.

The International Secretariat of OMCT is gravely concerned by these cases of arbitrary re-arrest and subsequent forced disappearance, and fears for the physical and psychological integrity of Mr **Yek Raj Basnet**, Mr **Khagendra Sambahamfe**, Mr **Ram Bahadur Ingaram** and Mr **Tek Bahadur Bista**, as they are at risk of being subjected to ill-treatment, torture and/or extra-judicial execution during this time. OMCT calls for the Nepalese government to immediately locate these persons, to guarantee their personal integrity at all times and to order their immediate release in the absence of legal charges that are consistent with international law and standards. Furthermore, OMCT calls on the authorities to immediately launch thorough and impartial investigations into these cases, in order to identify those responsible, bring them to justice, and award adequate compensation to the victims.
